

Torrance Newcomers

A very interesting lady has recently become a member of the Torrance community. Mrs. Ann Reeves of 304 Calle Miramar, Hollywood Riviera, has moved to Torrance from Winnetka, Ill. Mrs. Reeves restores old paintings that have been damaged in fire, etc., and as a hobby does pictures with weeds and seeds. She also makes pictures with shells that she has collected off the coast of Florida.

Dr. and Mrs. William Cahill

are now living at 446 Calle de Aragon, Hollywood Riviera, with their two small daughters. Dr. Cahill is a Navy doctor and has been transferred here from Chicago, Ill.

Mr. and Mrs. R. A. Miller, of 2215 W. 182nd St., have moved here from Miami, Fla. Sons Bobby, 11, and Danny, 9, attend Arlington school. Miller was formerly with the Ford Agency in Miami and since his move has accepted employment at Oscar Maples Ford in

Inglewood. Miller is also the Oscar Maples announcer on television's Town Hall Party.

Mr. and Mrs. Michael Carraro, of 16607 Falda, are newcomers to Torrance from Corpus Christi, Tex. The Carraros have two sons, Mike, 3, and Kevin, 10 months. Carraro has accepted a transfer with Pres Con Corp.

Mr. and Mrs. Frederick G. Oess, with daughter Anita, 7, and son Peter, 4, have come to Torrance from Elmsford, N. Y. Oess is an engineer at Hughes and with his family lives at 464 Calle de Castelana.

New York was also the former home of the Jack Bolt family of 3326 Primm Way.

The Bolts with sons Gregory, 11, and Garrick, 7, are from Arcade, N. Y. Bolt is employed at Ryan Aeronautical.

Employment with North American Aircraft has brought the Claude Carey family to Torrance from France. The Careys have been with the Civilian Air Force stationed in France for the past four years. They are now living at 2658 Grande Summit Rd. The Careys have three children, one attending Hillside school and two teenagers at South High. Mrs. Carey is also the Avon Representative in WALTERIA and Hollywood Riviera.

AIR CONTENT

About 14 percent of the air we breathe is oxygen.

Collapsed Fence To Be Restored

Los Angeles City officials took action this week at restoration of a six-foot-high concrete block fence that collapsed last week into the newly-paved alley in the rear of a house at 1510 W. 249th St., Harbor City, owned and occupied by Mr. and Mrs. Bill Grooms.

City Council President John S. Gibson Jr., who has been active in procuring action for relief of the Grooms family plight, said that City Engineer Lyall A. Pardee has informed the subdivider of the adjacent property to restore the fence to its original condition.

The fence reportedly crash-

ed into the alley when the alley grade was cut down two to three feet below the base of the fence. Improvement of the alley was part of the subdivider's work, said Pardee.

When the mishap was brought to the attention of the Board of Public Works by Councilman Gibson, a personal investigation was made by Commissioner F. L. Sebesta, who then reported his findings to Pardee.

A survey of the subdivision work and a study of the city specifications set up for the job prompted Pardee to order the restoration under a section of City Specification 151 which

Scholarships

Won by Three Local Students

Three Torrance students were among the 753 students selected by the State Scholarship Commission to receive state scholarships for the coming school year.

Winners of the scholarships, which pay up to \$600 towards tuition and fees, are: Gary Ed-

requires the contractor (the subdivider) to take proper precautions to protect the adjoining property or improvements from damage.

ATTEND AIR MEET

Councilman Robert B. Jahn and Chamber Manager Dick Fitzgerald attended the World Congress of Flight in Las Vegas last week.

DEBT FACTOR

About 44 million of America's 54 million families owe less than \$500 on current installment payment accounts.

ward Diehl of 3542-B W. 168th St., El Camino; John Patrick Manning of 1603 W. 219th St., Narbonne High School; and Carla Winona Osterlind of 2813 Sonoma St., Torrance High School.

Awards may be renewed each year if scholastic standards are met.
